Letter No. 43.8224-229 dated 23rd May 1939. From the Deputy Commissioner, District, to the General Secretary to the Government of Mysore.

ml 63-28-162.

I have the honour to state that the President, Aiptur Municipality reports in his No. 41.85/28-29 dated 14-3-1939, that the Municipal Council intending to pass the accompanying fourteen bye-laws published the drafts thereof under Section 48 (2) of the Municipal Regulation for the information of the local public on 3-3-1939 and invited objections thereon within one month from that date, that there having been no objections from the local men, a sub-committee was formed to suggest changes if any on the proposed bye-laws that the convenor of the Sub-Committee reported the views of the committee on 17-3-1939 and that the drafts were discussed in the Council on the same date and changes made in them. He requests that sanction of Government may be obtained thereto.

2. I request that the above proposal of the Municipal Council may kindly be sanctioned.

3. The report of the President and its conclusion are forwarded in original for kind reference.

Submitted.

The fee proposed may be reduced to Rs 2 per annum in each case. The bylaws are in order but for the few verbal alterations made here and there on the lines given sanctioned for the Bangalore Municipality. The bylaws may be approved with the alterations made.

22/6/29

By Secy to Govt. 23/6/29. Forwarded with compliments to the Sanitary Commissioner for perusal of his opinion as to the suitability of the proposed bye laws.

The bye laws seem to be alright and correct
I would however make the following suggestions
1) add "bordering heavily under offenders
liabilities (no fee for license)
2) Before "stopping blow" to in cl 2 (b)(1)
add the words "bordering or"

In the proposed bye-laws a fee of Rs 4/-
is charged for license for country holders I
would make the "fee" free.
